“ Danielle, I never knew anyone with a more giving, loving heart than you. And you never expected anything in return. The only time I saw you get mad was when you thought someone was being mean to one of your kids then you turned into a roaring lion. You were in more pain than anyone knew and my heart is broken right now but I'm so grateful that you are no longer suffering. I love you so and we will see each other again.

You loved hard and you loved like no one I have ever met... you didn't have a mean bone in your body. I will forever miss that contagious laugh and that beautiful smile you have!! You are for ever my angel now!! I love you so much and miss you tremendously already!! #lovelikedanielle*
