“ It's hard to pick a certain memory, because there was truly never a bad moment with you around. From the funny remarks you'd seem to always make, to the heartfelt gestures. I'll miss joking around with you and occasionally getting schooled in volleyball by you. Love ya old man!

“ I'm deeply saddened that I won't be able to see you, or hear your jokes, when our families get together again. You were one of kind. Always happy, always nice and always willing to joke around. I still remember a joke you told about a tiny pony when I was just a little kid, and won't ever forget it, just like I won't forget you. I'm glad to know you're in peace and always watching over your family. I'll look forward to the day we're able to joke around again. I love you!

“ Our deepest condolences to Sara and the family. He will greatly be missed. He was always with the Cadena’s Family Reunions. I believe he was the only one that never missed not one of them. My last visit with him was in Corpus Christi, TX at our Aunt Beatrice Cadena Garcia 100 years young party celebration last year. We sat together and had a wonderful fellowship with the rest of our family. He will be missed greatly but we know that we will see him again soon. No more suffering no more pain.

“ Wow. He was such a good man. When he visited us, we walked all the way to the Lighthouse in Palo Duro Canyon. When we visited, they were so hospitalable. Rene blessed our lives and I'm really sad to see him go. I already miss him. May he Rest in Peace

“ For A Special Uncle

There are Uncles to look up to,
Uncles who are wise,
Those who advise,
Those who are good friends,
Uncles who are fun,
and then there is you....
You are all of these in one.
